

MAESTEG SCHOOL

Required for September 2017

TEACHER OF KS3 ENGLISH & THE YEAR 7 CHALLENGE CURRICULUM

This is an excellent opportunity to join a successful school in a state of the art environment.

The Governors wish to appoint an ambitious, innovative and talented teacher who is committed to raising achievement and shares the vision of excellence at Maesteg School. The successful applicant will have the ability to teach English across Key Stages 3; the enthusiasm to teach aspects of other subjects as part of a thematic approach to the Year 7 curriculum; and the motivation and creativity to review and develop programmes of study to meet the requirements of the Donaldson Report.

Knowledge of the Donaldson Report and practice in the delivery of cross-curricular thematic, skills based programmes of study is therefore essential. Experience of teaching in Key Stage 2 would be desirable. We would, however, also welcome applications from Newly Qualified Teachers for whom we offer an extensive NQT support programme in addition to a commitment to continuing professional development for experienced staff.

Maesteg School is a thriving 11-18 community comprehensive school, situated in pleasant surroundings and within easy reach of the M4. We operate as a Teaching Hub School for CSC and our commitment to innovation was recognised recently in our successful application to Welsh Government to become a Pioneer School for both New Deal and Curriculum.
