UCAS - Sign up & Registration 2021

The system used to apply to university is called UCAS (UCAS apply). If you intend on applying to university this year you will apply as an Undergraduate.

STEP 1 - The first step is to register on UCAS apply 2021. Do this even if you are not sure you want to apply to University; some college courses are applied for through UCAS.

Follow the video sent to you to take this first step. The rest will follow in September.
