Examination Results Day – Thursday 13th August 2020

Year 12 (AS Results)

In an attempt to limit the number of individuals on site during this year's Results Day due to current social distancing guidelines, it is with regret that we have taken the decision that year 12 students who are due to receive examination results (AS Results) this summer will be **unable to collect their results in person**.

All Year 12 pupils will receive their results via an email into their school email account at approximately 9am on Thursday 13th August.

This is not a decision we have taken lightly and it has been made in the interests of student and staff safety. We trust that you understand the reason behind this decision and we will ensure that you will be able to collect the majority of your examination results in the usual manner next summer.

As mentioned, it is with great regret that we are not able to run our usual "Results Day" programme but we are sure you will understand the reasoning behind our decision.
