

# MAESTEG SCHOOL

## Teacher of Design and Technology & Engineering

### Required for January 2021 or asap

This is an excellent opportunity to join a successful school in a state of the art environment.

An exciting opportunity for an experienced teacher or a talented NQT to join us as a Teacher of Design Technology.

We require an excellent teacher to join our Design technology team (preferably with specialism in Engineering or Resistant Materials). You will join a dynamic curriculum team that covers many fields of Design Technology including Construction, Product Design and Food and Nutrition, across all key stages.

The Design Technology team has a strong track record of good outcomes across a range of subjects and our new Teacher of Design Technology will join a team with a commitment to the highest performance.

Maesteg School is a thriving 11-18 community comprehensive school, situated within easy access to the M4 motorway, in a brand new 'state of the art' building. We are proud of our status as a Pioneer School both for Curriculum Development and Professional Learning and continue to be committed to producing innovate practitioners who develop 'irresistible learning' opportunities for our pupils
