Dear Parent/Carer,

RE: **Blended Learning Arrangements for Week Beginning 11th January 2021, Year 7 to 9**

I hope you had a good Christmas and New Year, given the current circumstances. I would like to give you a little more information about the arrangements we have made for the week beginning the 11th January when children will continue to learn from home.

Below you will find the blended learning timetable we will run from Monday ensuring that pupils receive both a core subject (English, Maths and Science) and non-core subject lesson every day. Teachers will post the work for the whole week on a Monday by 9am so that pupils can complete the work when suitable for them, but of course they can follow the suggested timetable if they wish. You can see that we will stick to a two-week timetable so that pupils have good coverage across their subjects.

Pupils can contact teachers if they are stuck, need further support or would like any extra work using the chat box in their TEAMS classroom. By now I am sure pupils are confident accessing and using TEAMS as our blended learning platform but if you require any further support please contact

helpdesk@maestegcs.bridgend.sch.uk

Until Welsh Government inform us it is safe to return to school all pupils will follow this timetable until further notice.
