Dear Parent/ Carer,

RE: 6th Form Virtual Options Open Evenings

Thank you to those who completed the Open Evening form last week, the form has now closed and is no longer available. The information you submitted will enable us to facilitate each subject meeting as smoothly as possible. That aside, you can still join any scheduled session even if you have not submitted a return of the form sent out.

The arrangements for each day are outlined in the tables below, with one option column scheduled for each day. Parents and pupils can join and meet with more than one subject per evening as they wish.

All meetings will operate through the platform TEAMS using the pupils school account.

Pupils have been added to a specific Team Group called 'Yr 11 Open Evening for 6th Form Options' for this purpose.

Parents and pupils will be able to access the link each day to join the meetings scheduled for that day through either a link in the pupils' *chat* or by clicking on the Team and joining through the link in *Posts*. We ask that on joining cameras are turned off and microphones are muted initially.

The meetings will be information rich and will operate as a short presentation followed by questions and answers that parents/pupils wish to pose using either the chat box or speaking through a microphone. All meetings will be recorded and hence available to view afterwards in the *Files* folder on the Team page.

Many thanks

Kate Cavendish
