Dear Parent / Carer and Year 8 Pupils,

Year 8 GCSE Options Launch

Maesteg school is always looking at ways to ensure we deliver a challenging and personalised curriculum that meets the needs of our learners. With this in mind, this term we will be supporting our Year 8 learners in choosing their GCSE subject options in readiness for this September- the beginning of Year 9. This approach will mean that in Year 9 & 10 your child will focus on the delivery of their chosen subjects before consolidating learning through revision in Year 11.

We believe that this three-year approach will allow your child to flourish into accomplished and competent learners who cope well with the demands of the curriculum as well as enjoying their chosen subjects.

As always, we will support each learner in making a decision that is right for them. To share our Options programme for this year, we would like to invite you to a presentation on **Wednesday 15th February at 3.45pm**. We will take you through the timeline for choosing GCSE Options as well as answering any questions you may have.

We look forward to seeing you at this event. If you require any further information or support, please get in touch.

Kind Regards

Kellie Turner
